Panel Discussion on Tariffs and the Current Climate

Join our panel as they examine the evolving landscape of tariffs. This diverse group of industry leaders and experts will explore the impacts of recent tariff policies. With a focus on the new administration's approach to trade negotiations, they'll provide critical insights into the broader economic consequences and what the future holds for businesses navigating this changing environment.

*Moderated by **Stu Kagan**, Panelists include **Sam Desai**, VP of RM Metals and ReMA NJ Chapter VP; **Camelia Mazard**, Partner at Doyle, Barlow & Mazard PLLC focusing on Antitrust, International Trade Regulation, and Hospitality Law; and **Brian Shine**, President of Manitoba Corp. and CARI Chairman of the Board of Directors.*
