

## ReMA Young Executive of the Year Award | Nomination Process

### PURPOSE:

To promote the accomplishments of successful young professionals in the recycled materials industry by highlighting their contributions and dedication, along with a high degree of demonstrated leadership potential. The award, established by the Young Executives Council, is designed to elevate the recycled materials industry as an exciting career option open to all and recognize well-rounded young professionals who have a strong track record of leadership in business and community.

### ELIGIBILITY REQUIREMENTS:

To be eligible, the nominee must meet the following requirements to be nominated for this award:

1. Must be employed by an ReMA member company meeting the following criteria:
  - a. Member firms include **Processors, Merchants, Traders, Brokers, Domestic Associate, Consumer, Paper Mill, and International categories**. Only firms recognized by ReMA shall be eligible. *Subsidiary firms or any other type of operation that is not listed or recognized by ReMA national is not eligible.*
  - b. Member company must be in good standing with both ReMA national and the chapter, having satisfied all dues and assessments.
2. This award is open to individuals born on or after January 1, 1985.
3. Nominee should have a minimum of 1 full year in the industry.
