

Young Executives Council

Who We Are

The Industry's Next Generation

The ReMA Young Executives Council is a group comprised of individuals ages 40 and under who are employed by ReMA member companies.

Our Objectives

We Leverage Opportunities

- Cultivate talent;
- Provide development & leadership opportunities through ReMA;
- Create environments where learning & idea-sharing thrive;
- Produce annual educational and social events;
- Leverage opportunities for ambitious young professionals to network with industry leaders, as well as establish mentor/mentee relationships;
- Promote cohesive chapter-level engagement by targeting young professionals across all commodities;
- Celebrate and promote the accomplishments and contributions of YEs to the industry through the annual Young Executive of the Year Award program; and
- We advocate for you. The council works with industry leaders to invest & empower young professionals within their own companies.

Leadership & Staff Liaison
